

### INSPIRE Questionnaire for Partners (Baseline)

We would like ask about your thoughts and feelings about your partner using an automated insulin dosing system (**abbreviated AID**), sometimes called a closed loop system, artificial pancreas or bionic pancreas. We would like you to think about living with diabetes and the things that may be better or worse by your partner using **AID**. **For each of the questions below, please tick (check) the box that best fits your answer. Please answer every question.**
